★ 1. 콘서트 문의

Hello, there. I am calling to ask you some questions about concerts tonight. I'd like to watch a concert with my friend. So, what kinds of concerts do you have? I personally prefer classical concerts. Are there any classical concerts tonight? If not, a pop concert would be okay as well. So, how much does a ticket cost? Also, I wonder if you have any promotions going on. I don't have enough money, but I really want to watch the concert tonight. I hope it's not too expensive. I have one more question. I have some discount coupons and I was wondering if you accept them. By the way, what time does the concert start and how long does it take? Actually, I have to be back home by 11pm. Will it finish before then? Last but not least, do you have a parking lot? If I take my car with me, is it okay to park the car there while watching the show?

Please let me know as soon as possible. Alright, thank you for your help.

Alright then. Please send me the directions. Get back to me when you get this. Bye.
