Hello, uncle Park. This is Susan again. I am so sorry but I have some bad news.

I've got a problem. I came to your house and tried to get in. But there's no key in the box where it is supposed to be. Well, I don't know what to do.

Here's the deal. I would like to get into the house before you come back. Is there any place where you keep a spare key? If so, where would that be? If you don't have any spare key, can I call up a locksmith to open the door? Or if there is anyone you can send to open the door,

that will be great. It seems like that's the only thing I can do for now.

Well, I am so sorry for what happened. Please let me know as soon as possible.

Okay? Thanks.
